

The background image shows a clinical setting. A person is lying in a hospital bed, partially covered by a white sheet. Two individuals, likely healthcare workers, are leaning over the bed, one appearing to assist the patient. In the foreground, a black wheelchair is visible, positioned near the foot of the bed. The room has red curtains and a window in the background.

Bed-to-Wheelchair Transfer Skills

This video will teach you how to safely
transfer from bed to a wheelchair.

這支影片教您安全下床坐輪椅的方法
